Celebrate

It's in the Bible Luke 15: 8-10

“Or suppose a woman who has ten silver coins loses one of them—what does she do? She lights a lamp, sweeps her house, and looks carefully everywhere until she finds it. When she finds it, she calls her friends and neighbors together, and says to them, ‘I am so happy I found the coin I lost. Let us celebrate!’ In the same way, I tell you, the angels of God rejoice over one sinner who repents.”

Let's chat! Watch the video: *The Lost Coin*

- I wonder if you have ever lost anything precious?
- How did it feel?
- What is it like when you have looked everywhere for something and you suddenly find it?
- Let's find some lost treasure.

Get someone in the household to hide the chocolate coins around the home. You will only have three minutes to find them and bring them back. I wonder if you all found an equal number?

Let's make!

Happy & sad face plates

So, we are using the plate to make: on one side a really happy face with a big red smile and on the other side a really unhappy face with a very down turned mouth.

Once you've drawn both faces, stick the hair on so that it is long enough to hang down both side of the plate.

When the plate is mounted on the stick you can turn the face from sad to happy very quickly. Just like in the story where the man thought he had an ordinary field but then was happy when he found the treasure in it.

You will need:

- A small paper plate
- Two sets of googly eyes (or you could use old buttons)
- Some UPV glue
- A red marker,
- Some pieces of wool to make hair
- Either a lolly pop stick or a piece of doweling to mount the faces on.

Let's pray!

Loving God, we thank you that knowing you is such a brilliant thing in our lives. We thank you that Jesus is a special friend as well as being your son. We pray for those people who are our friends who do not yet know Jesus as their special friend. Help them also to find this special treasure. Amen.

Food Challenge!

Often made at Easter these are a real easy treat

You will need:

- 200g milk chocolate, broken into pieces
- 85g shredded wheat, crushed
- 2 x 100g bags mini chocolate eggs
- cupcake cases

Method:

- **STEP 1**
Melt the chocolate in a small bowl placed over a pan of barely simmering water. Pour the chocolate over the shredded wheat and stir well to combine.
- **STEP 2**
Spoon the chocolate wheat into 12 cupcake cases and press the back of a teaspoon in the centre to create a nest shape. Place 3 mini chocolate eggs on top of each nest. Chill the nests in the fridge for 2 hrs until set.
