

Procedures for church in relation to COVID-19 post July 19th 2021.

In the interests of the safety of all, whilst restrictions have been lifted by the government, the Ministry Team and PCC have decided to keep the following procedures in place for St Francis Church:

- Face masks will still be required (unless you are exempt)
- Hand sanitising on entry and exit
- Track and Trace
- Social distancing as much as possible
- One way system for entry and exit
- Good ventilation
- Communion will remain in one kind and will continue to be distributed at the foot of the Chancel steps
- Congregational singing will be allowed **but whilst wearing a mask**
- Kneeling in the pews is now permitted but please make sure that when doing so you are not getting too close to someone in the pew in front

Thank you for helping to keep everyone as safe as possible by adhering to these guidelines.
